

Hi,

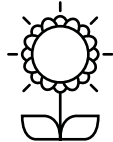

I'm your neighbour and I am helping to "Paint the Town Yellow" this Spring. My household is taking part in Sunflower Spring by planting Sunflower Seeds in my front yard or nature strip this Spring as a symbol of hope, connectedness and solidarity during these strange and difficult times.

100% of profits go towards donating Nüdel Karts to Australian Schools in need.

Help our suburb to spread the sunshine and create some joy as we weather this lockdown together.

If you would like to take part and get some sunflower seeds please google **Sunflower Spring Nüdel Kart** and let's turn our whole street yellow.

Thank you and Stay Safe
